Service route business

Business Description

1G Vending was founded by a husband and wife team with experience building and operating technology and financial services business. Seeking a new challenge and a business that could allow their family to enjoy a more balanced lifestyle, they acquired two fully developed vending routes in operation for over 50 years, and now own and operate 1G Vending.

1G Vending provides a comprehensive line of Beverage, Snack, Coffee, Food, and Pantry Vending Services. 1G Vending brings over 20 years of experience with full-service vending operations, providing reliable vending and pantry services to a wide range of customers from Medical Facilities, Schools, Offices, Car Dealerships, Factories, Warehouses, and more. We currently have 146 machines deployed serving 55 customer accounts in 20 cities across northern NJ. All of our accounts are within a 20-mile radius of our primary warehouse facility in Nutley, NJ.
